

The screenshot shows the ArcGIS Pro software interface. On the left, there is a 'Table of Contents' pane listing several layers: 'India_Region', 'India_State', 'India_District', 'India_UnionTerritory', 'India_Region', 'India_State', 'India_District', 'India_UnionTerritory', 'India_Region', 'India_State', 'India_District', 'India_UnionTerritory'. The main map area displays a map of India with a legend on the right side. The legend indicates that the map is showing 'India_Region' and 'India_State' layers. The map is color-coded by region, with different shades of blue and green representing different states and union territories.
